Are you okay?
Nana-chan must be worried about Hima chan, right?
...But Yuyu is more worried about Nana-chan
...I'm okay!

I'm only thinking about myself again

Konno
way more than worrying about Himari-chan...

my classmates were saying whatever they wanted, I'm sorry
Just now,

"Isn't it Himari-chan who likes Shioka-kun?"

If Nana-chan keeps in home,
Recently Nana-chan has always been dawn
Yuyu was worried
Nana-chan would just thinking around and get depressed, right?

Nana-chan maybe doesn't want to be with Yuyu but,
Let's go relax ourselves!
. It's so cute
Right?
It's just recently opened in front of the station, you know~

...It's delicious
!
ぽわ
That's great
Maybe
was worried about me
Yuyu really
Let's walk around a bit!

I'm sorr...
Ah
Shioka-ku...
Kuri-yama?
Why is he here...

Today is...
August 2...
The meeting point is in the station, right
What are you doing straying from the way, Shioka
Don't tell me,
Ah, so you already had a plan with Kajima
"Unable to come"...?
Eh?
Weren't you unable to come?
"Plan"?
Are,
"I just sent you our meeting place and time."

Today you aren't going with just you two...
Oo...
I'll go there real quick
Two?
Since the beginning, I and my friends were talking about going to the amusement park,
?
Our conversation doesn't match
but Konno said that she wanted to go too
When I ask her to also invite someone else
you had something to do so that's why you couldn't go, right?

Ah.....
Nana-cha...
That's right!
It's because I and Yuyu have samething ta da.. we're going naw, okay!

Nana-chan, wait!
.....
What does this mean?
.....

Nana-chan!
Konno!
Are you okay?
はぁ…っ
Ne, Nana-chan,
as Yuyu thought,

you like Shioka-kun, right?
……っ

they heard it...
Shioka-kun
...Just now,
Gomen nasai!
ばっ
Please tell everyone that I can't go to the amusement park today
Also, Yuyu-chan

Please let me talk to Nana-chan alone
Himari-chan...
just now was...
I
already realized.
Every-thing

That's why I didn't invite you to the amusement park
Because I didn't want Nana-chan lying supporting me
Then, what should I have done!?
Even if you tell me "Good luck", with such a troubled face,
I won't be happy...!
っ…

But there's no way I could say that, right
Immediately after I realized I like him I had to give up...
It was very painful!
Even so,
I decided to truly support you!
I didn't ask you to do that!

What Nana-chan wants to do,
it's not for my sake,
but for your own, right...!?

I wanted to say "I like you" to Shioka-kun too
...Me too,
I don't want to say something like this,
I can't stop
I wondered, if only I said it first,
would I be the one who able to
I thaught that was unfair
You were able ta canfess and still able ta wark hard even after gat rejected.
Even though
You're talking about Shioka-kun to me,
while knowing my feelings?
Himari-chan too,
recently you only care about Shioko-kun, right!

...It's because
I wanted ta tell them ta Nana-chan
when I realized that I like him
Nana-chan was the first person that I wanted to tell
About how happy I was,
every-thing,

But not anymore
...Aaah

It's broken now
